Sunday's Dispatch had a splendid picture and a good write-up of Miss Susie Lasley, the talented and efficient Station agent at Rowland, though they are in error as to her being the first lady Station Master. There is Mrs. Alice Newland at Crab Orchard who has successfully attended to that duty at Crab Orchard depot.

The Cuban, Hawaiian, Chinese and Klondike questions; the battle ship Kentucky and the child wife, Dora Clay, have monopolized the columns of the newspapers for 10, these many weeks. None of the vexed subjects have as yet been settled, and no relief for a long suffering, reading public is in sight. Can't some one introduce a bill in the Legislature at Frankfort to quiet the whole business.

John Crawford and Miss Fannie Brannaman were married Wednesday at the residence of the bride's parents, Mr. and Mrs. Henry Brannaman, near Wildie. Judge R. G. Williams performed the ceremony. G. S. GRIFFIN.

Harry Jones, Falk Ross and Jesse Singleton were brought in last Saturday charged with having broken into Tate's bonded warehouse some six weeks ago. The above parties is alleged to have been caught in the woods on the night before while drawing liquor from a barrel which had been stolen from the above warehouse. Ross was used as a witness, as it was said he had given the snap away to an officer some days before the capture. Singleton was released on bond; and Jones sent to jail. Trial was set for Tuesday but the witnesses failed to appear, and cases continued and writs issued for the witnesses. Two weeks previous to this Jones was arrested under the charge of having stolen a heifer and was out on bond. There has been considerable ill feeling in the Tate and Jones locality for a long time over mule and cattle stealing and a large number of citizens came to attend the trials.

Later—Falk Ross was captured at Brodhead, on Wednesday and brought here and lodged in jail.

Andrew Hasty was brought in yesterday charged with being connected with the parties who broke into Tate's warehouse.

THE NEW WAY.
WOMEN used to think "female diseases" could only be treated after "local examinations" by physicians. Dread of such treatment kept thousands of modest women silent about their suffering. The introduction of Wine of Cardui has now demonstrated that nine-tenths of all the cases of menstrual disorders do not require a physician's attention at all. The simple, pure
Wine of Cardui
taken in the privacy of a woman's own home insures quick relief and speedy cure. Women need not hesitate now. Wine of Cardui requires no humiliating examinations for its adoption. It cures any disease "that comes under the head of "female troubles"—disordered menses, falling of the womb, "whites," change of life. It makes women beautiful by making them well. It keeps them young by keeping them healthy. \$1.00 at the drug store.
For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
W. L. ADDISON, M.D., Cary, Miss., says: "I use Wine of Cardui extensively in my practice and find it a most excellent preparation for female troubles."
